

# Peabody Supply Company purchases R & R Plumbing in Worcester!

**The best of both companies are now ONE!**

*What does R & R bring to Peabody Supply Company?*

**H**ow about commercial plumbing expertise? They have the experience to quote small and large commercial projects such as new construction, renovated hospitals, schools, & industrials. Outside salesman Scott Bayliss works as a problem solver in many industrial applications. They get involved in Design Build projects with their customers where they specify what products would best fit the job. They also get involved with Value Engineering on projects where the contractor is asking how they can help save them money.

The Worcester Branch is a distributor for VIEGA ProPress copper fittings, which is a leader in the press world. Other specialty product lines are Chicago Faucet, Spears PVC80 and PVC40 pressure fittings. Worcester stocks galvanized malleable fittings, XH BM fittings, XH black nipples and stainless pipe and fittings. They cut and thread pipe up to 2" diameter and also have a source for cut and threaded pipe up to 6" pipe. Worcester stocks multiple sizes and ranges on pressure gauges, thermometers, and tridicators. They also have an extensive inventory of RIDGID parts, and Hoffman Steam Specialties for steam traps and condensate pumps. Some additional products lines stocked are PVC- DWV pipe and fittings as well as ABS- DWV pipe and fittings and, an extensive inventory of Charlotte Service weight and No-Hub pipe and fittings up to 4" and a smaller selection up to 6".

Worcester continues to work with mechanical contractors on small and large-scale projects and will purchase and stage the products for predetermined releases on the jobsite.

The best features of R&R Plumbing are still here and enhanced with the purchase by Peabody Supply. There's more than just a name change here, it's a game changer!!!

R&R Plumbing Supply was always known for having a tremendous inventory and knowledgeable personnel. They were never known for being the cheapest supplier so Peabody Supply brings a much more competitive price point to our market along with the most desired product lines in our industry! The investment Peabody Supply has made into the Central Mass market area should be of immediate benefit to all of R & R's loyal customer base and to the customer base that has not tried their service in the past. More inventory, longer business hours, more promotions, more training, more delivery options, excellent turn-around time on the most popular products available! If that's not enough, check out some of the most competitive pricing available today. Take advantage of all they can now can offer AND join Peabody Supply Company on a week-long trip to Punta Cana next year as a thank you for your purchases.

Peabody Supply Company, is owned by the Velonis Brothers; Jim Jr., Nick, and Chris, along with partner Domenic Messina. They now own and run eight successful wholesale branches and 5 showrooms on the North Shore of Mass, southern NH, Metro West of Boston, and now Worcester, in central MA. ■
